GasTech GT Land Surveyor

Gas Tech's GT Land Surveyor portable gas monitors are designed to test methane and other gases in landfills, vaults, trenches, boreholes, vents and other applications.

Specifications:

Methane (CH₄) 0 to 5.00% Vol in 0.05% increments
0 to 100.0% Vol in 1% increments
0 to 10,000 ppm in 20 ppm increments
0 to 100% LEL in 1% LEL increments

Oxygen (O₂) 0 to 30.0% Vol in 0.1% increments

Hydrogen Sulfide (H₂S) 0 to 200 ppm in 1 ppm increments

Carbon Monoxide (CO) 0 to 250 ppm in 1 ppm increments
